

Maintenance Contracts „Remote Support“

With this maintenance contract, you gain access to our technical support and remote support via our ticket system.

Simply send your support request to support@luescher.com, and a ticket will automatically be created in our system. Once a ticket is opened, you will receive an email from Lüscher Technical Support. You will receive a ticket number in the following format: LTS-XX.

Please respond only within the opened ticket “LTS-XX” communication thread!

You will receive a response as quickly as possible and will be automatically informed at all times about the current status of your request to help you keep track of what is going on. All communication will exclusively take place through the created ticket via email. If you wish to access the telephone hotline, it can be booked with an upgraded subscription.

Our experienced support team is available to assist you with technical questions, troubleshooting, and remote maintenance to resolve issues quickly and efficiently.

Within our maintenance contracts „Remote Support“, you can choose between three levels.
